

Meet the Board

Name: Alicia Correll

I am: Currently on Professional Development and Newsletter Committees

My current position is: Eligibility Supervisor for Healthy Family Referrals

County Agency: San Joaquin County Human Services.

I have served: 3+ years on the Board

NEW Offices I have held and Committees I have participated on: Program, Finance, Legislature.

My vision for NEW: PATHS

Bring in members from all counties to broaden our objectives and provide new perspectives to our professions. To facilitate smaller counties (population wise) to unite in their geographical area for a regional chapter that can serve their unique needs.

A little bit about myself: I have been married for 38 yrs, 3 children (Computer Programmer, Pre-school teacher and Law Enforcement). One grand child. One gentle dog and one ornery cat.
