

Meet the Board

Name: Philip Fincher

I am: Chair of the Fund Raising Committee

My current position is: Family Services Specialist II

County Agency: Stanislaus County Community Services Agency

I have served: 12 years on the Board

NEW Offices I have held and Committees I have participated on: I have served on or been the Chair of the Legislative, Publicity, and Fund Raising Committees.

My vision for NEW: PATHS

I want to increase our membership by recruiting Clerical and Employment workers. NEW has something for everyone. I believe our Training Conferences because they can highlight the needs of our profession and make ourselves more valuable resources for our counties.

A little bit about myself: I have been with my county for 20 years. I current have a Medi-Cal Aged, Blind & Disabled, and LTC caseload. I also have Food Stamps (SNAP), (Cal-Fresh) cases. I love to sing and perform. I have been active in such diverse organizations as Make-A-Wish, The Arthritis Foundation, Modesto Symphony, Modesto Performing Arts Association, and Modesto Jr. College Masterworks Chorus.
